**Requirement of Land at Pune**

The Indian Institute of Tropical Meteorology (IITM), Pune, an autonomous body under the Ministry of Earth Sciences, Government of India, requires a suitable land about 15 acres for its proposed center for “Advanced Training in Earth System Science and Climate” around Pune.

The site should be within radius of 15 km from location of IITM.

The Institute will not pay any brokerages to any agent.

Interested parties may write to the Administrative Officer of the institute with details of the property, all revenue documents and layout of the piece of land, within 15 days of publication of the advertisement. For more details visit Institute’s site ([www.tropmet.res.in](http://www.tropmet.res.in))
