CONDITIONS OF CONTRACT

SUB: TENDER FOR THE WORK OF ANNUAL MAINTENANCE OF FIRE FIGHTING, FIRE ALARM, & PUBLIC ADDRESS SYSTEM IN THE COMMON AREA AT HPC BUILDING, LIBRARY BUILDING OF INDIAN INSTITUTE OF TROPICAL METEOROLOGY, PASHAN PUNE.

1. GENERAL

The contract means the documents forming the tender and acceptance thereof and the formal agreement executed between the competent authority on behalf of IITM and the contractor/agency together with the documents referred to therein including these conditions, instructions issued from time to time by the Engineer-in-charge all these documents taken together shall be deemed to form one contract and shall be complementary to one another.

4. DEFINITION

The agency providing Annual maintenance of fire fighting system, fire alarm & PA system in the HPC & LIBRARY BUILDING FOR IITM hereinafter, shall be called as “Agency” or “Contractor” or “Firm”.

Engineer-in-charge means the engineer-designated by IITM to act as Engineer-in-charge of the work.

Contract Value means the Amount/sum at which the tender is accepted by IITM as per the Letter of Intent (LOI).

5. INSTRUCTIONS TO BIDDERS

Tender shall be submitted in two envelope system

ENVELOPE –I

This shall contain the following: - EMD as per relevant clause.

- Acceptance Letter for un-conditional acceptance of the tender conditions as per performa given at Appendix-I,
- Copy of PAN
- Cost of Tender document if down loaded directly from the website.
- The bidder will super scribe “EMD & Acceptance Letter” on top of this Envelop.
- This shall contain the following: Volume-I (NIT, Conditions of Contract, Special Conditions of Contract, if any, Scope of work & corrigendum / Addendum if any), duly filled in, signed and stamped on each page by tenderer, cutting or overwriting, if any, shall be signed and stamped by the person signing the tender. All pro-forma forming part of tender documents shall be filled in signed and stamped by the tenderer. Proof (documentary evidence) of meeting eligibility criteria to participate in this tender as per requirement of IITM.
- Documentary proof in support of meeting the Eligibility (Pre-qualification) criteria set out in clause 6 of the NIT.
- Copy of power of attorney / partnership deed, duly attested by Notary Public authorizing the person /official signing the tender.
- Any other information as required to be submitted along with the tender.

ENVELOPE –II

- Price Bid to be quoted on the attached BOQ in original duly signed & sealed in Envelope – II superscribing “PRICE BID” on.

All the Envelops-I & II will be enclosed in another envelop which will be super-scribed as “Tender for the work of Annual Maintenance & Operation of fire fighting, fire alarm & PA system in the common areas at HPC &LIBRARY BUILDING IITM PASHAN PUNE411 008.”

Envelop –I of Technical bid shall be opened first. In case the required EMD and tender document fee Acceptance Letter are not enclosed then Envelop-I and II shall not be opened and tender shall be summarily rejected and envelop-II shall not be returned. If the technical bid is found to contain some suggestions that are for incorporation of any condition in the tender, then such tender will be rejected. Price Bid i.e. Envelope - II shall be opened only of those bidders who fulfils the eligibility criteria in terms of NIT and submit documentary evidence in support of the same in Envelope – I.

4. AWARD OF WORK AND CONTRACT AGREEMENT

- I) The tender award, execution and completion of work shall be governed by tender document consisting of (but not limited to) letter of Intent/Letter of work order, Bill of Quantities, Conditions of Contract, Special Condition of Contract, Scope of work. The tenderer shall be deemed to have inspected the site will acquainted himself with requirement & scope of work and duties to be performed here and also gone through the various conditions including accessibility etc. or any other conditions which in the opinion of Agency will affect his price/rates before quoting their rates. No claim whatsoever against the foregoing shall be entertained.

The contractor shall enter into a contract agreement with IITM as per prescribed format (Appendix – III) within 7 days from the date of letter of Intent or within such extended time, as may be granted by the IITM. The cost of stamp papers, stamp duty, registration, if applicable on the contract, shall be borne by the contractor. In case, the contractor does not sign the agreement as above or start the work within 3 days after the issue of letter of intent, his earnest money is liable to be forfeited and letter of Intent consequently will stand withdrawn.

5. EMD

EMD of successful tenderer shall be refunded after it submits performance bank guarantee as per relevant clause. EMD of unsuccessful Agency shall be refunded within one week of award of work.

6. COMPLIANCE WITH EPF, ESIC AND OTHER STATUTORY LABOUR LAWS.

The Agency will strictly comply all labour laws/acts of the land including local laws pertaining to minimum wages act, EPF, ESIC, Bonus, Gratuity, Labour Welfare Law, Labour Safety, insurance under workmen compensation etc. as mentioned in the condition of contact. The agency will submit EPF & ESIC challan along with their quarterly bills. The agency will submit all documentary evidence in proof of complying the above laws/acts whenever required by IITM. If at any stage it comes to the notice of IITM that statutory requirements are not being complied by the agency, its contract will be terminated and all payments will be stopped.

7. SECURITY DEPOSIT / RETENTION MONEY

The security deposit or the retention money so deducted shall be deducted from each bill of the Agency @ 5% (Five percent only) of the gross value of each bill.

The security deposit or retention so deducted amount shall be refunded to the Agency after completion of the maintenance period of one year.

8. INCOME TAX DEDUCTION

All statutory dues /taxes & Income Tax shall be deducted from all payments made to the Agency including advances against work done, as per the rules and regulations in force, in accordance with the prevailing regulation & Income Tax Act.

9. TAXES AND DUTIES

The Agency shall be responsible for the payments, wherever payable at his own cost of all taxes, such as excise duty, custom duty, sales tax, value added tax including the purchase tax, consignment tax, work contract tax, service tax, or any other similar tax in the state concerned, turnover tax, toll tax, octroi charges, royalty, labour cess, levy and other tax (es) or duty (ies) which may be specified by local/state/central government from time to time on all material, articles labour which may be used for this work. The rates quoted by him in the tender in bill of quantities shall be inclusive of all such taxes, duties etc.

The imposition of any new and/or increase in the aforesaid taxes, duties levies (including fresh imposition of any other tax) during the currency of the contract shall be borne by Agency. In the event of non-payment/default in payment of any of the above taxes, IITM reserves the right to withhold the dues/payments of Agency and make payment to local/state/Central Government authorizes or to labourers as may be applicable.

10. PERFORMANCE GUARANTEE

Within 30 days (thirty) from the date of issue of letter of award or within such extended time as may be granted by IITM in writing, the contractor shall submit to IITM a performance bank guarantee in the form appended, from any Nationalized Bank or approved scheduled bank (refer clause 24 of this section) equivalent to 5% (five per cent only) of the contract value for the due and proper execution of the Contract. No payment shall be released to the contractor till the performance guarantee is submitted. Performance guarantee shall be returned after successful completion/testing/commissioning and handing over the project to the client upto the satisfaction.

In case the contractor fails to submit the performance guarantee of the requisite amount within the stipulated period or extended period, letter of intent automatically will stand withdraw and EMD of the contractor shall be forfeited.

11. INSURANCE UNDER WORKMEN COMPENSATION ACT.

Agency is required to take insurance cover under the workmen compensation Act, 1923 amended from time to time from an approved insurance company and pay premium charge thereof. Wherever required by NBCC the Agency shall produce the policy or the policies of Insurance and the receipt of payment of the current premiums.

12. LABOUR LAWS TO BE COMPLIED BY THE AGENCY

The Agency shall obtain a valid license under the contract labour (R&A) Act Central Rules 1971 and amended from time to time, and continue to have a valid license until the completion of the work including defect liability period.

The Agency shall also abide by the provision of the child labour (Prohibition and Regulation) Act, 1986 and amended from time to time. Any failure to fulfill this requirement shall attract the penal provisions of this contract arising out the resultant for non execution of the work before the commencement of work.

No labour below the age of 18 years shall be employed on the work.

13. LABOUR SAFETY PROVISION

The Agency shall be fully responsible to observe the labour safety provisions as per Labour Laws and Law of the Land. Ignorance of any labour law related to labour safety will not be an excuse if at any stage the same are found violated by IITM or and by labour inspector.

EMPLOYMENT OF PERSONNEL

- i) The Agency shall employ only Indian Nationals as his representatives, servants and workmen after verifying their antecedents and loyalty. He shall ensure that no personnel of doubtful antecedents and any other nationality in any way is associated with the works.
- ii) IITM shall have full power and without assigning any reason to the Agency, immediately remove any representative, agent, servant and workmen or employees on account of misconduct negligence or incompetence or whose continued employment may in his opinion be undesirable. The Agency shall not be allowed any compensation on this account.

14. WORKMEN'S COMPENSATION ACT.

The Agency shall at all times indemnify IITM and owner against all claims for compensation under the provision of workmen's employed by the Agency or his sub-Agency in carrying out the contract and against all cost and expenses incurred by the IITM herewith.

15. MINIMUM WAGES ACT.

The Agency shall comply with all the provisions of the minimum wages Act, 1948, contract labour Act (R&A) 1970, and rules framed there under and other labour laws/laws affecting contract labour that may be brought into force from time to time.

16. FORECLOSURE OF CONTRACT DUE TO ABANDONMENT OR REDUCTION IN SCOPE OF WORK

If at any time after the commencement of the work the IITM shall for any reason whatsoever is required to abandon the work or is not require the whole thereof as specified in the tender to be carried out, the Engineer-in-charge shall give notice in writing of the fact to the agency, who shall have no claim to any payment of compensation.

Whatsoever on account of any profit or advantages which he might have derived from the execution of the work in full, but which he did not derive in consequence of the full amount of the work not having been carried out or fore-closure, neither shall he have any claim for compensation by reason of any alterations which shall involve any curtailment of the work as originally contemplated.

Provided that the agency shall be paid the charges on the cartage only of materials actually and bonafide brought to the site of the work by the Agency and rendered surplus as a result of the abandonment or curtailment of the work or any portion thereof and then taken back by the agency, provided however, that the Engineer-in-charge shall have in all such cases the option of taking over all or any such materials at their purchase price or at local current rates whichever may be less. In the case of such stores having been issued by IITM and returned by the agency to IITM, credit will be given to him by the Engineer-in-charge at rates not exceeding those at which they were originally issued to him after taking into consideration and deduction for claims on account of any deterioration or damage while in the custody of the agency and in this respect the decision of the Engineer-in-charge shall be final.

17. CANCELLATION/DETERMINATION OF CONTRACT IN FULL OR PART

Subject to other provisions contained in this clause the Engineer-in-charge may, without prejudice to his any other rights or remedy against the agency in respect of any delay or ill performance of the agency by notice in writing, absolutely determine the contract in any of the following cases:

If the agency having been by the Director IITM a notice in writing to rectify, reconstruct or replace any defective work or that the work is being performance in an inefficient or otherwise improper or un-workline manner shall omit to comply with the requirement of such notice for a period of seven days thereafter ; or

If the agency persistently neglects to carry out his obligations under the contract and / or commits default in complying with any of the terms and conditions of the contract and does not remedy it or take effecttive steps to remedy it within 7 days after a notice in writing is given to him in that behalf by the Director IITM; or

If the agency shall offer or give or agree to give to any person in IITM service or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any action relation to the obtaining or execution of this or any other contract for IITM; or

If the agency shall enter into a contract with IITM in connection with which commission has been paid or agreed to be paid by him or to his knowledge, unless the particulars of any such commission and the terms of payment thereof have been previously disclosed in writing to the Director IITM; or

If the agency shall obtain a contract with IITM as a result of wrong tendering or other non-bonafide methods of competitive tendering; or

If the agency being an individual, or if a firm, any partner thereof shall at any time be adjudged insolvent or have a receiving order or order for administrative of his estate made against him or shall

take any proceedings for liquidation or composition (other than a voluntary liquidation for the purpose of amalgamation or reconstruction) under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any Insolvency Act for the time being in force for the sequestration of his estate or if a trust deed be executed by him for benefit of him creditors; or

vii) If the agency being a company, shall pass a resolution or the Court shall make an order for the winding up of the company, or a receiver or manager on behalf of the debenture holders or otherwise shall be appointed or circumstances shall arise which entitle the court or debenture holders to appoint a receiver or manager;

viii) If the agency shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days; or

ix) If the agency shall assign, transfers, sublets (engagement of labour on a piece-work basis or of the labour with materials not to be incorporated in the work, shall not be deemed to be subletting) or otherwise parts with or attempts to assign, transfer sublet or otherwise parts with the entire works or any portion thereof without and prior written approval of the Director IITM.

When the agency has made itself liable for action under any of the cases aforesaid, the Director IITM may without prejudice to any other right or remedy which shall have accrued or shall accrue hereafter to IITM, by a notice in writing to cancel the contract as whole or only such items of work in default from the contract.

The Director shall on such cancellation by the IITM have powers to:

a) Carry out the incomplete work by any means at the risk and cost of the agency and recovering all such payments / costs from the outstanding dues payable to the Agency including payment of Security deposit and amount availed through en-cashment of performance guarantee' and /or

b) To determine or rescind the contract as aforesaid (of which termination or rescission notice in writing to the Agency under the hand of the Director shall be conclusive evidence). Upon such determination or rescission, performance guarantee shall be en-cashed and the full security deposit recoverable under the contract shall be liable to be forfeited and any un-used materials, construction plants implements, temporary buildings, etc. shall be taken over and shall be absolutely at the disposal of the IITM. If any portion of the Security Deposit has been paid or received it would be called for and forfeited.

18. Agency shall carry out all the jobs specified in the scope of work within its quoted rates. Rate payable to the agency shall be as per its quotation in the Bill of quantities to be read in conjunction with the Conditions of the Contract, Scope of work forming part of this tender.

19. PAYMENT:

The agency will submit a bill to IITM for the work done per Quarterly. The agency will submit three numbers of hard copies for the bills. Taxes should be shown separately.

All payments shall be released by way of e-transfer through RTGS in India directly at their Bank account by IITM.

20. List of approved Banks Nationalized Banks

The BG's shall be accepted from the nationalized Banks, and in addition to these can also be accepted from the Scheduled Bank.

21. FACILITY

NIL

22. FORCE MAJEURE

Any delay in or failure of the performance of either party hereto shall not constitute default hereunder to give rise to any claims for damages, if any to the Extent such delay or failure of performance is caused by occurrences such as acts of God to the public enemy, expropriation, compliance with any order or request of Government authorities, act of war, rebellions, sabotage fire, floods, illegal strikes, or riots (other than contractor's employees). Only extension of times shall be considered for Force Majeure conditions as accepted by NBCC. No adjustment in contract price shall be allowed for reasons of force majeure.

23. CO-ORDINATION WITH OTHER AGENCIES

Work shall be carried out in such a manner that the work of other Agencies operating at the site is not hampered due to any action of the contractor. Proper Co-ordination with other Agencies will be Contractor's responsibility. In case of any dispute the decision of IITM shall be final and binding on the contractor. No claim whatsoever shall be admissible on this account.

24. JURISDICTION

The agreement shall be executed at Pune on non-judicial stamp paper purchased in PUNE and the courts in PUNE alone will have jurisdiction to deal with matters arising there from, to the exclusion of all other courts.

The work will be carried out on 24 X 7 hour basis. Nothing extra shall be paid for working On holidays.

25. Firm\ bidder should have at least 7 to 10 year experience in AMC of Fire Fighting for reputed MNC organisation and Government organisation.

ANNEXURE - A
Scope of Work

1. The firm will engage trained and experienced technical staff and helpers for routine Maintenance headed by a qualified Fire Supervisor for 24 x 7 hours.
2. The firm will maintain the logbook for maintenance as detailed below.
 - a) After each maintenance/Testing the test detailed to be entered in the maintenance register with dates and result achieved.
 - b) After carrying out each test, the entry in the register to be got counter signed from the IITM Engineer. Without prior approval, no fitting/material will be removed for repairs; it will be contractor's responsibility to provide alternative temporary arrangement of such items for the period. The item is repaired and put back in to position so that the system remains fully functional all the time.
3. The Contractor will conduct periodical fire drill at site as per direction of the engineer in charge including imparting training to the users staff in the use of fire Extinguishers etc.
4. The checking and maintenance of the batteries for the system shall be done including maintaining specific gravity and distilled water level. However, replacement of defective batteries is not covered in the Scope of this work.
5. The firm shall maintain each fire zone.
6. The servicing of the system shall be done smoothly including fire detector system and random checking and heat detectors periodically by heat and smoke.
7. The system shall be kept in fully working condition till completion of contract. The firm will arrange handing over of the total system in fully functional condition on completion of the contract.
8. The demonstration drill of the working of the system shall be given once a month as and When desired by the Engineer-in-Charge or as per his direction.
9. All the material to be supplied for replacement of parts shall be ISI make/approved.
10. The firm shall depute one qualified Electrical Engineer to check the whole system once in every month and shall maintain a test record signed by them and got countersigned by their visit from the Engineer of the employer i.e. IITM. The firm shall submit a list of person deployed for the work.
11. The firm has to arrange for testing both the fire pumps in the presence of IITM's Engineer once in a fortnight. The test include running of the pressurization pumping set in case of loss of pressure of fire hydrant system and running of diesel engine pump by artificial closure of electricity. Creating the pressure loss in the pipelines shall test the electricity driven pump set. Test Pressure at the farthest end, bottom most ends and at pump set one of the yard hydrants shall be taped for operation on the same day by creating the desired jet, such test shall be done at least once in a month in the presence of Engineer.
12. The IITM Engineer or his representative shall have access to installation during all hours.

13. Maintaining liaison with security department in case of fire, test being conducted to check the operation/readiness of the system shall be contractor's responsibility.

14. The servicing of the fire pumps, jockey pump, motor and engine shall be done twice in a year. During the 1st quarter and 3rd quarter of the contract period to the entire satisfaction of the Engineer nothing extra shall be paid on this account. The department will provide H. S. diesel, Water and electricity free of cost for its running and maintenance.

15. Department shall be in no way be involved in any dispute of whatever kind between the contractor & the staff engaged by him.

16. Contractor would be bound to execute such additional item which can be termed as logical essential & necessary (even though not listed in schedule of work) for the effective execution of the work in totally rates for such extra items of work shall be rationally analyzed/derived & would be binding on the contractor.

17. Refilling of Fire Extinguishers will be arranged by IITM at its own cost.

18. The contractor undertaking the job is advised to verify the particular as detailed in annexure & satisfy itself as regards to the conditions & quantity. On termination of the contract the contractor shall have to hand over the installation in good working condition.

19. List of main equipments of fire fighting, fire alarm and Public Address system:-

- (i) Main Fire Pump (Electric) 5HP for Wet Riser - 2 No.
- (ii) Wet Riser Jockey Pump, -- HP - 1 No.(Under warranty)
- (iii) Diesel Engine Main fire Pump, -- HP - 1 No. (Under warranty)
- (vi) Pump Starter for fire fighting system - 2 No.
- (vii) Internal fire Hydrants -- 3Nos.
- (viii) External fire Hydrants - 6 Nos.
- (ix) Main fire Alarm Panel - 1 No.+ 2No.
- (x) Gas Separation Panel - 1 No
- (xi) MCP – 6 Nos.
- (xii) Fire Detector -78Nos. + 79Nos.
- (xiii) Any item missed from list and bidder find it will be consider under AMC.

MAINTENANCE SCHEDULE

Maintenance of Fire Alarm, Fire hydrant and Public Address System.

The following work/checks are required to be performed on Daily / Fortnight / Monthly / Quarterly / Half Yearly basis and record all the activities in the log book with date and time.

1. Fortnightly Checks

- a- Operational readiness of system during mains failure.
- b- Check battery water level and specific gravity.

2. Monthly Checks

- a- Check the fire circuit of each zone from the panels.
- b- Check whether signals of fire and fault get transmitted from zonal panel to main panel.
- c- Performance check of the hooters should be done. Performance check of manual call points.

3. Quarterly Checks

- a- Check fault circuit of each zone by actually disconnecting wire by removing a detector.
- b- Check fire circuits by actual smoke to one detector of each zone.
- c- Cleaning of all type of detectors with a cloth piece from outside.

4. Half Yearly

- a- Clean all the detectors with cleaner.
- b- Performance of system and smoke to one detectors before they are cleaned.

Note: - Above activity has to be divided on weekly basis for available number of smoke detectors so that all the detectors are checked for their performance and cleaned once in six month.

To maintain the wet riser system the contractor should carry out the following operation in the presence of departmental officials.

a- Daily check of the water pressure and smoke detectors in the system minimum 3.5 kg/sqm.

b- Daily running of the fire hydrant pump, motor and diesel engine.

c- Daily checks of leakage etc. in the system.

d- Daily check of control panel.

e- Daily check of bell and siren for proper working.

f- Monthly cleaning of system i.e. draining the same etc. s required.

6. No tools & plants shall be supplied by the department.

7. Distilled water for batteries, cleaning material such as Vim/surf/cotton/ old dhotis, pilot lamp for indicating lamp, PVC tape etc. gland dori, grease for pump and motors shall be supplied by the contractor.

8. All spare parts and consumables required in main/zonal control panels like resistance, capacitors, and all cords shall be repaired/replaced free of cost.

9. All spare parts required for keeping the wet riser system in operation shall be arranged by IITM free of cost. However the contractor will promptly inform IITM as and when such requirement arises.
